

Summer in Solidarity

“Solidarity is action on behalf of the one human family, calling us to help overcome the divisions in our world.”

-U.S. Bishops, Called to Global Solidarity

This summer, Badin will begin its **Summer in Solidarity** Program.

We will be hosting one domestic trip and one international trip, where students are invited to be with and to pay deeper attention to people in the world living a life much different than their own. Trips will be based on four cornerstones: community, spirituality, simplicity, and service, and will be incredible experiences of learning to live in solidarity.

Join us from **June 12 to 16, 2017**, at **Solsberry Hill** in rural **Indiana**, for an experience of service, sacredness, and spirit, or from **July 18 to 23, 2017**, in **Guatemala** with **Cooperative for Education**, to experience the culture of the indigenous Mayan people and to contribute to the betterment of their education in order to break the cycle of poverty.

If you are interested in finding out more, plan on attending our **INFORMATION MEETING for PARENTS and STUDENTS** on **Tuesday, January 17, at 7:00pm.** in the Chapel.

Applications for **Summer in Solidarity** trips will be available on January 17, and will be due Wednesday, January 25, 2017. Contact Mrs. Megan Halverson, Christian Service Coordinator, with any questions or concerns.
