

Visual Art Scholarship Application

We value fine arts at Badin High School. We are pleased to offer a \$1,000 scholarship to an incoming freshman who displays a genuine appreciation and interest in visual art. We want to encourage all students to submit a sampling of their artwork, as all artwork will be judged on an individual basis. The scholarship committee will be looking for a strong sense of creativity, style and a basic understanding of line, value and composition. Students should submit an essay and a total of five pieces of artwork—**art should be original and preferably not class projects**. All work must be submitted digitally by scanning your work, or taking photos and emailing folders to sdaniels@BadinHS.org, or by placing work in a Google drive and sharing it. Please include your name, address, phone number, school and art teacher's name in the email. If your pieces have titles, please include these as well. We look forward to seeing your work!

Students should digitally submit the following to Badin High School by December 15, 2017:

- 1) Three drawings
- 2) Two additional pieces of artwork. These may be painting, sculptures, photographs, scratchboard, or additional drawings.
***Please do not include anime artwork.**
- 3) A one page essay on why you like to create art and why you think learning about art or learning how to make art is important.
