# ANNUAL REPORT

## 2020-2021

Dear Alumni, Parents and Benefactors,

We would like to thank you for your investment in Badin High School and our students. Each gift to our annual fund, memorials and scholarships directly benefit the students at Badin.

Your generous support helped bridge the “educational gap” for many of our students. The administration, finance committee and school board focus on providing a top-notch education at a tuition that we can keep as reasonable as possible. The support of our annual fund allows us to keep tuition at one of the lowest in the archdiocese.

As you consider your charitable contributions for 2021-22, we humbly ask that you consider investing in the mission of Badin High School. The participation by our alumni, parents and benefactors is vital to providing the monetary resources needed to help families in need of assistance.

We sincerely appreciate your continued support for the 2021-22 annual fund.

God Bless all of you,

Brian D. Pendergest  
Principal

## THE FR. STEPHEN T. BADIN LEGACY SOCIETY

was established in 2000 to recognize

alumni, parents and friends who have established funds benefitting Badin High School at a local community foundation or other public charity, remembered Badin High School in their estate plans by establishing an endowed fund, or through a future, planned gift (beneficiary of life insurance, retirement assets, charitable trusts, charitable gift annuities, and/or gifts of real estate, securities, or other assets).

Currently, Badin holds a number of endowment funds as a result of generous planned gifts. These funds provide much needed tuition assistance for Badin students, as well as income for school programs and operations.

# MAJOR GIFTS *Building a Brighter Badin* gifts and pledges (received as of 6/30/2021)

Badin broke ground on the new Student Development Center in July 2019 after a year hiatus due to pricing. The Student Development Center connects the Pfirman Family Activity Center and the school building and houses a new upgraded guidance office - The Hamilton Community Foundation College and Career Center, in addition to Campus Ministry & Christian Service offices, Advancement, Admissions, Alumni and marketing offices, in addition to much

needed space space for student to spend time before and after school. The Student Development Center is also used to enhance classroom space during the school day.

Special thanks to Gerry Saurber '76 of Gerry Saurber Construction Inc., who led the charge to complete this project. His skills and hardwork are much appreciated..
