

Technology Teacher

Stephen T. Badin High School is seeking a qualified candidate to teach Technology courses. These courses are elective courses. Current courses offered are Robotics, Game Design, Programming I, II, III and AP Computer Science. A qualified candidate must be versed in all aspects of technology in order to continue meeting the needs of our students interested in these courses. Previous teaching experience is preferred.

Candidates submitting a resume for this position should have working knowledge and be proficient in teaching the following languages: JavaScript, Node.js, Python 3, Swift/Xcode, HTML5, CSS3, Mindstorms for Ed, and gaming engines; AP Computer Science Principles utilizes a “Blockly”/JavaScript blended UI. Additional software: Google Apps for education, Microsoft Office, Adobe Photoshop, programming IDEs (currently using Sublime and Repl.it), Github, and Screencast

Other technical proficiencies include: safety and security, formal letter writing, citations, general hardware diagnostics and repair.

Candidates must have fingerprints, background check, and VIRTUS current with the Archdiocese of Cincinnati prior to starting the position. Interested Candidates should submit a cover letter, resume and complete contact information for three references by email to Brian Pendergest, Principal at bpendergest@badinhs.org by April 5, 2019.
