#### TIPS TO MEASURE FOR PROPER FIT FOR YOUR UNIFORM SELECTION

Have another person measure you. It's difficult to measure yourself accurately.

If the person's measurements are between sizes, order the larger size.

**CHEST** measurement is taken at the fullest point of the bust. Measure across shoulder blades with arms relaxed down at sides, keeping tape parallel to the floor. Hold tape level and firmly but not tight.

**WAIST** measurement is taken around the natural waistline. Keep the measuring tape comfortably loose.

**HIP** measurement is taken by standing with heels together. Keep tape straight and parallel to the floor, measure around the fullest part.
