

# Jim Hinkel Memorial Scholarship

The Jim Hinkel Memorial Scholarship was established by his family to honor him and all that he stood for during his life. Catholic education is important to the family, and for this reason, they have generously established a scholarship for a graduating senior at Badin High School.

This scholarship is available to a current senior student who meets the following criteria:

- Currently enrolled at Badin High School
- Will graduate with his/her class
- Will not be attending college or university
- Will be joining the work force or entering a trade.

The award recipient will be notified in early May and will be expected to attend the Badin Academic Awards ceremony. **Please submit your completed application and essay to the Advancement Office by April 1, 2024.**

The application must include a completed essay. The selection committee will choose scholarship finalists based on the strength of the application and the essay.
